

THERMAL INSULATION FOR ALL-YEAR COMFORT

SAFTHERM BULK POLYESTER FIBRE BLANKET

Description:

- Polyester Fiber Insulation Blankets are manufactured using recycled polyester (PET plastic soft-drink bottles etc.). They are supplied in rolls with various thicknesses.

Properties:

- Saftherm™ is friendly to the touch, will not irritate the skin and does not affect breathing in any way.
- Saftherm™ has been tested by SABS, for thermal performance as well as for fire propagation (test reports available on request).
- Saftherm™ is manufactured to ISO9001 Standards.
- Saftherm™ does not collapse over time and retains its “loft”.
- On flat ceilings Saftherm can be laid in between the trusses.
- VOC Free / ODP 0%

Thickness	Density	*Width	Length	R-Value	System R-Value
40mm	7.5kg/m ³	1.2m	10m	0.8	1.2
50mm	10kg/m ³	1.2m	10m	1	1.4
75mm	10kg/m ³	1.2m	8m	1.5	1.9
100mm	10kg/m ³	1.2m	6m	2	2.4
135mm	10kg/m ³	1.2m	5m	2.7	3.1
100mm	11.5kg/m ³	1.2m	8m	2.3	2.7
135mm	11.5kg/m ³	1.2m	5m	3.1	3.5
145mm	11.5kg/m ³	1.2m	5m	3.3	3.7

*750mm wide rolls available on request.
